**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have fiber service through Sonic today. It is vastly superior to DSL and cable which I've had in the past. I selected Sonic specifically because they are committed to protecting my privacy and provide service without fast lanes or data caps. I support broadband competition for all Americans so they have the option of choosing providers.
